

FAQs for Summer Music Camp 2025

Who is running camp? How do I get in contact with them?

Anna Kohler is leading the camp. She is the music teacher for K-12 at Mission Valley Christian Academy. Please use anna.kohler@mvcapolson.org for additional questions.

Does my student have to have experience before signing up?

No, they do not. Any additional experience can be helpful but not required.

What types of music will my student be singing?

Two-part harmony, acapella or accompanied, in various different styles. We'll be focusing on 3 songs to prepare over the week, with a recital right after camp on June 27th, 2025.

What does my student need to bring?

Students can come to camp without any additional items. A snack and juice will be provided, as well as bottles of water. Students might want sunscreen and a hat for when we practice outside, but they are not required to participate in camp.

What forms of payment are accepted?

We accept payments in cash, check, or PayPal. Keep in mind that PayPal does have a transaction fee. Cash and checks can be delivered on day one of camp without penalty as long as the student is registered for camp prior to June 16th, 2025. If the student is registered after June 16th, 2025, there is a late fee of \$20 added.

To pay through PayPal, go to Mission Valley Christian Academy's website mvcapolson.org, find the "Donate" tab, and select the amount (\$100, or \$120 if registered after June 16th, 2025) and write "(student's name) for Summer Music Camp 2025" in the "other" description box. If you have multiple students, you can do one lump sum payment. Just include all the students' names in the description box.

What is the schedule for camp?

Here is an example day at camp:

8:55-9:10 – drop off

9:10-9:30 – music game (hot potato, musical chairs)

9:30-9:40 – voice warm up
